NEW MOSQUE IN NIGERIA

The Amir (National Head) of the Ahmadiyya Muslim Jama'at of Nigeria, Alhaji (Barr.) Alatoye Folorunso Azeez, on Saturday, 17 January 2026, inaugurated a newly constructed mosque and a three-bedroom mission house apartment at Ikire, Osun State.

The mosque, with a seating capacity of over 300 worshippers, was named Masjid Baitul Mujeeb by the Supreme Head of the Ahmadiyya Muslim Community, Hazrat Mirza Masroor Ahmad (may Allah be his Helper). Speaking at the inauguration ceremony, Alhaji Alatoye described the mosque as the first to be inaugurated by the Ahmadiyya Muslim Jama'at in the year 2026, adding that several others would be inaugurated across the country before the end of the year, by the grace of Allah.

NEW MOSQUE IN EAST GERMANY

The First Mosque established in East Germany under severe opposition and huge commotions.

The Ahmadiyya Muslim community in Erfurt, Thuringia has around 100 members, so their planned mosque is not particularly large. Nevertheless, the construction project has been met with fierce opposition from some residents. Suleman Malik is the spokesperson of the Ahmadiyya Muslim community in Erfurt, which is building a new mosque in an industrial area on the outskirts of the Thuringian city. It's the first new Muslim place of worship to be built in the former GDR. Opponents have been staging regular protests in front of the site for years. The mosque's construction has been delayed again and again, with building companies facing intimidation online. Christian churches in Thuringia are standing by the Muslim community, as is State Premier Bodo Ramelow, who was first elected to the position in 2014. But the mood in the state has become increasingly hostile, with political rhetoric getting more and more harsh. In recent state elections, the right-wing AfD emerged as the strongest party. Can Suleman Malik stand up to the anti-Muslim sentiment?

A NEW MOSQUE FOUNDED IN GEORGETOWN, GUYANA

Respected Lal Khan Malik, Ameer Canada is addressing the attendees at the foundation stone ceremony of the New Masjid Noor in Georgetown, Guyana on February 1, 2026

He said:

The history of the Ahmadiyya Muslim Jama'at in Guyana is a testament to resilience and unwavering faith. From the arrival of the first missionary in 1959 to the formal establishment of the Jama'at in the 1960s, your journey has been defined by a desire to establish the true, peaceful teachings of Islam, in the Caribbean Region.

For over four decades, the building that stood here, purchased in 1978, served as our national headquarters. Now, under the guidance of our beloved Imam, Hazrat Mirza Masroor Ahmad, Khalifatul Masih V (may Allah be his Helper!), we are replacing the old building with a modern 7,600 square foot complex. This is not merely a renovation. It is a manifestation of our growth and our commitment to the future of Guyana Jama'at. Al-Hamdo lillah!

WHAT IS WAQF-E-JADID?

Background

- On December 27th 1957 Hazrat Khalifatul Masih II(ra) started the blessed project called The New Dedication (Waqf-e-Jadid)
- Hazrat Khalifatul-Masih II(ra) planned to create a network of Muallimeen (Teachers) who should be wholly devoted to the upbringing of the members throughout the length and breadth of Pakistan
- Waqf-e-Jadid was the last initiative Hazrat Khalifatul-Masih II (ra)put forth before the Community
- On 1st February 1958, fourteen Muallimeen were dispatched to selected rural areas of the country – Now by the grace and mercy of Allah the number of Muallimeen is in thousands
- Sahibzada Mirza Tahir Ahmad Sahib (later to become Hazrat Khalifatul-Masih IV (ra)was appointed as the first Director (Nazim Irshad) of Waqf-e-Jadid

What are the Objectives of Waqf-e-Jadid?

Primary objective – to look after the spiritual upbringing of the members living in the rural communities

Secondary objective – to bring the message of Islam to Hindu population of the country

- The Hindu community in the Sind province was poor and was mistreated and exploited by the Muslim landowners. Seeing this, the Christian missions offered them financial help and thus influenced them towards Christianity. Waqfe Jadid carried out the huge task of bringing this Hindu community
- into Ahmadiyyat and continues to do to this day.
- Up to 1986 the project was intended mainly for the rural communities of Pakistan. However Hazrat Khalifatul-Masih IV (ra) broadened the scope of this project and now all the countries of the world are within the scope of this plan

Who should participate?

- Hazrat Khalifatul-Masih II(ra) stated:
- “I emphasise to the Community that they should understand the importance of this scheme and devote their full attention to it and try their utmost to make it a success, ensuring that no individual in the Community who can afford it is left out.”

Why should I participate?

- Hazrat Khalifatul-Masih Al-Khamis (atba)says:
- “In this age of rampant materialism and commercialism when public, especially in the Western world, is bombarded with enticements to purchase merchandise, the Holy Qur’an guides us, setting forth the contrast of a “bargain” of striving in the way of Allah with one’s wealth.”
- “Those who are well off should consider if the donations they make are real sacrifices” 6thJanuary 2006, Qadian
