

# Take Action

## THIS RAMADAN

At the International Waqf-e-Nau Refresher Course in January 2026, Huzoor-e-Anwar (aba) gave direct and specific instructions to parents and Waqifeen-e-Nau that **require action from every Waqf-e-Nau**. This campaign has been created as a guide for every Waqf-e-Nau and parent to take action. We have **created letter templates** that can be used to send a fax to Huzoor via our website. This is a mandatory task for all, and we urge everyone to report to us by Eid.
