Dec 27-29<sup>th</sup> 2024

## **Alhamdulillah! A Spiritually Rejuvenating Experience at the 37th West Coast Jalsa Salana**

With hearts brimming with gratitude and spirits uplifted, we proudly share that the 37th West Coast Jalsa Salana was held with resounding success at the beautiful Baitul Hameed Mosque in Chino, California, from December 27th to 29th.

## **A Historic Milestone: Lajna Leads in Attendance!**

Alhamdulillah, this year marked a beautiful milestone — Lajna Ima'illah attendance reached an inspiring 1,093, surpassing even the men's side! Masha'Allah! A true testament to the passion, dedication, and spiritual thirst of our sisters.

## **Day 1: A Unified Beginning**

 The Jalsa commenced with a joint session alongside our brothers in faith; a serene and spiritually charged opening that set the tone for the days to come. The session began with recitation of the Holy Qur'an, followed by a lineup of inspiring speakers who lit our hearts with the light of knowledge and faith. Though brief, the session was rich in wisdom and ended on a high spiritual note, leaving all attendees eager for what was to come.

## **Day 2: Lajna Rising**

 The morning of the second day brought a dedicated Lajna session, opening the door to deep discussions on topics such as:

- **Wasiyyat** – pathway to paradise
- **Raising children with Taqwa** – how to save our children from societal ills
- **Giving precedence to faith over worldly matters**
- **Tawakkul (Trust) in Allah** – how to hold on to the Rope of Allah for Success
- **The Power of Education** – increasing our standard of education

Our respected speakers spoke with clarity and confidence, inspiring us to grow in both our spiritual and daily lives.

In the concluding session, we had the immense honor of hearing from Aziza Rahman Sahiba, Na'ib Sadr Lajna Ima'illah USA, whose heartfelt address was followed by a moving du'a that echoed through every soul in the hall.

## **The Hubs: Where Learning Meets Joy**

This year brought a vibrant and innovative addition to Jalsa! For the second time, the **Lajna Hub** returned — a dynamic space that offered **spiritual, educational, and creative activities** for women of all ages. **And for the first time ever — Nasirat held their very own Nasirat Hub!**

These hubs were filled with:

- **Interactive booths**
- **Faith-based crafts**
- **Fun quizzes and games**

The energy, laughter, and learning that filled these spaces were truly a sight to behold!

Alongside these wonderful activities, there were various other booths on display for Lajna and Nasirat to visit and enjoy, such as:

- 
- **Waq Fe Nau Booth**
  - **Taqwa Booth**
  - **Bookstall**
  - **Rishta Naata Booth**

## **Afternoon Session – Eye-Opening and Heart-Softening**

The afternoon brought deep, thought-provoking presentations that captivated every listener.

We also welcomed honored guests, many of whom shared their heartfelt journeys to Ahmadiyyat. These personal stories were moving reminders of Allah’s guiding hand in our lives.

One of the highlights was an address shedding light on the current global conflicts and reminding us of our duty as Ahmadis: to be beacons of peace, patience, and compassion in a turbulent world.

## Day 3: A Spiritual Farewell

☀️ The final day came with both sadness and fulfillment — a beautiful ending to three days of enlightenment. More speakers took to the podium, offering us spiritual gems to carry into our daily lives.

**The concluding address** and du'a were delivered by none other than **Sahibzada Mirza Maghfoor Ahmad Sahib, Ameer Jama'at USA**, who reminded us of our purpose, our mission, and the boundless mercy of Allah.

### ☀️ A Feast for the Body and Soul

Of course, no Jalsa is complete without the tireless efforts of our beloved volunteers and Langar Khana team, who served with smiles and hearts full of love. From the hospitality to the food — everything was top-notch, as if infused with barkat for the guests of the Promised Messiah (as).

### ☀️ Fundraising with Heart and Purpose

**Alhamdulillah, our sisters and young Nasirat didn't just come to learn — they came to serve and give! Through creativity and teamwork, the following fundraiser efforts were held for West Coast Jalsa Salana 2024:**
