

FROM NATIONAL SADR LAJNA IMA'ILLAH USA: DHIYA TAHIRA BAKR

SADR SAHIBA'S MESSAGE:

Dear Lajna and Nasirat, I pray that you are doing well. As we start our work in this new year, reflect on Gratefulness/Shukr and practice it. Holy Quran 14:8, "And when your Lord declared: If you are grateful, I will surely bestow more favours on you...". The commentary describes 3 kinds of gratefulness: 1. With the heart and mind forming an idea of the benefit received, 2. With tongue, praising the benefactor and 3. With the limbs, reciprocate the favor/benefit. "Shukr on the part of God consists in forgiving a person or commending him, or regarding him with satisfaction, goodwill or favour... One can only be truly grateful to God when one makes right use of His gifts". I am grateful for you. JazakAllah.
