

FROM NATIONAL SADR LAJNA IMA'ILLAH USA: DHIYA TAHIRA BAKR

SADR SAHIBA'S MESSAGE:

Dear Lajna and Nasirat; I pray that you are doing well. Our beloved Huzur aba has been delivering sermons on the subject of "Gratefulness" during the past month, Alhumdulillah. In beloved Huzur aba sermon on August 21 he stated, "...the Promised Messiah a.s. would impress upon his Sahaba (companions) the importance of gratitude... A prominent feature of the Promised Messiah a.s. character was his appreciation of even the smallest acts of service... Hadrat Musleh Mau'ud ra said that the hearts of Prophets are profoundly grateful. They regard even the smallest kindness as a great favor...". How can we personify Gratefulness? There are several major lajna events currently being planned i.e. Lajna Majlis-e-Shura, National Ijtema, West Coast Jalsa Salana-Lajna & Nasirat section and regional ijtemaats. A lot of dedicated time, sacrifice and passion goes into the planning and logistics for our benefit and enjoyment. I am very grateful for the leads and their teams. I pray that you show your gratitude by volunteering, attending, forgiving any short-comings and praying for the successful execution of these events, Ameen. A secular meaning of gratitude is "the quality of being thankful; readiness to show appreciation for and to return kindness" (Google). I pray that we focus more on gratitude than complaining or short-comings. Requesting prayers for our volunteers, shura delegates travels and the Majlis-e-shura proceedings.
